Count Egyptian Banknotes — Answer Key

Count the schematic Egyptian banknote teaching tokens and write the exact EGP total. pt means piastres; LE means Egyptian pounds; 100 piastres equal 1 pound. The 25-piastre, 50-piastre and 1-pound notes are older issues that remain legal tender; they are not withdrawn. All dimensions and colours are illustrative.

1. Count every teaching item.

EGP 238.00

3 × LE 10 = EGP 30.00

0 × LE 100 = EGP 0.00

3 × LE 1 = EGP 3.00

2 × LE 20 = EGP 40.00

3 × LE 5 = EGP 15.00

3 × LE 50 = EGP 150.00

2. Count every teaching item.

EGP 180.00

2 × LE 10 = EGP 20.00

1 × LE 100 = EGP 100.00

0 × LE 1 = EGP 0.00

0 × LE 20 = EGP 0.00

2 × LE 5 = EGP 10.00

1 × LE 50 = EGP 50.00
