Count Jamaican Banknotes — Answer Key

Count the schematic Jamaican banknote teaching tokens and write the exact JMD total. These are numeric face-value illustrations; all dimensions and colours are illustrative.

1. Count every teaching item.

JMD 14,650.00
 $3 \times \$500 = \text{JMD } 1,500.00$

$3 \times \$50 = \text{JMD } 150.00$
 $3 \times \$1,000 = \text{JMD } 3,000.00$

$0 \times \$100 = \text{JMD } 0.00$
 $2 \times \$5,000 = \text{JMD } 10,000.00$

2. Count every teaching item.

JMD 17,050.00
 $0 \times \$500 = \text{JMD } 0.00$

$1 \times \$50 = \text{JMD } 50.00$
 $2 \times \$1,000 = \text{JMD } 2,000.00$

$0 \times \$100 = \text{JMD } 0.00$
 $3 \times \$5,000 = \text{JMD } 15,000.00$
