Find It on a Grid

Point, build, draw or tell. A grown-up can read each question.

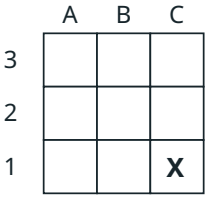

1

Circle C3.

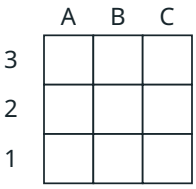

2

X marks the treasure. Which column and row is it in?

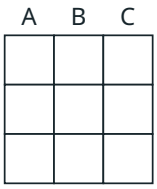

3

Start at A1. Move two squares right, then one up. Where do you land?

4

Start at B2. Move one square left, then one up. Mark your ending square.

5 • Try it if you want

Go from A1 to B2. Step one square right or up at a time. Find every route that uses the fewest steps.
