

Math Sheet

Name _____ Score _____ / 5 Teacher _____ Date _____

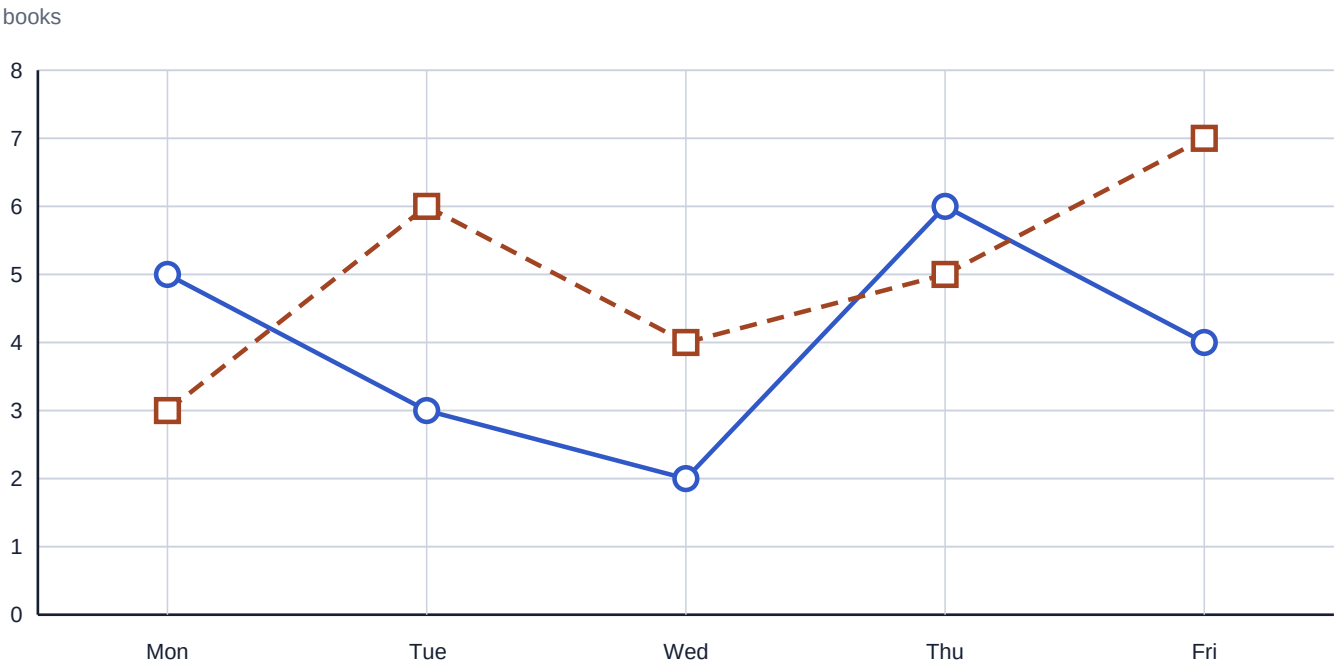

Read a double line graph

Compare both series and answer every question.

Task 1. Library checkouts. Compare both series and answer every question.

1 books = 1 books

Series A
Series B

- How many books are shown for Series A, Mon?

- How many books are shown for Series B, Tue?

- For Series A, did the quantity increase, decrease or stay the same from Tue to Wed?

- Which has the greater total: Series A, Thu or Series B, Thu? If the totals are equal, write equal.

- For each series, name every category with its least value: Series A; Series B.
