Grade 1 Math Cheat Sheet

Bundle tens and ones

3 bundles of ten	**30**
4 single cubes	**4**
I put them together	**34 = 30 + 4**

In 34, the 3 tells me the tens and the 4 tells me the ones.

3 tens 4 ones

Make ten to add

I start with	**8 + 5**
I split 5 into 2 and 3	**8 + 2 + 3**
I make a ten first	**10 + 3 = 13**

Taking 2 from the 5 gives the 8 just enough to reach 10.

Use addition to subtract

I know this addition fact	**8 + 5 = 13**
I take away one part	**13 − 5 = 8**
I take away the other part	**13 − 8 = 5**

I can add back the part I took away to check my answer.

Read a clock

Long hand at 12	**0 minutes**
Long hand at 6	**30 minutes**
Half past three	**3:30**

At 3:30 the short hand is halfway between 3 and 4 and the long hand points to 6.

3:30
